BFCC is planning to have a Whale of a Time !!!

2019 BICHON FRISE CANADIAN NATIONAL SPECIALTY

September 28th 2019

Chilliwack British Columbia

There will be Bichons coming from across Canada and the USA to strut their stuff in front of an International Judge from Ireland Mr. Anthony Kelly and USA Puppy Sweeps Judge Robyn Orvis. Many classes are being offered.

There will be lots of opportunity for the dogs and puppies to earn Championship Points during the MOUNT CHEAM CANINE ASSOCIATION All Breed Dog Show taking place September 27 -29 as well!!!.

All of our BFCC members have an opportunity in making this a very Special Show that our club will be proud of as we host breeders, handlers and Bichon owners from North America. One way to show your support for this very Special event is by making a donation towards our trophies and prizes that will be presented to the top winning Bichon Frise dogs and puppies! BFCC Board members will be calling personally to ask for your support soon.

Current members who won an award at the last Specialty in Toronto will be asked to support this year's award for the same class they won.

All Donations for our awards will be greatly appreciated!!

Items for our fund raising auction also being accepted and appreciated

If you happen to live in the region plan to come out to watch and cheer on these beautiful Bichons at ringside as they are being presented to the judges throughout the weekend.

Also a chance to meet old friends, make new ones who obviously love and support the Bichon Frise breed!!!!
