

The Bull Terrier Club of Canada

presents ...

CANINE REPRODUCTION:

*A comprehensive review of the process
for both the male and female canine.
Both natural and artificial options will
be discussed. Q & A will follow.*

SUNDAY, JUNE 3, 2018

Only **\$35.00 per person**, including lunch and snacks. One lucky attendant will also win a door prize!

**RESERVE A SEAT NOW!
PLEASE CONTACT US AT:
BULLAYR@XPLORNET.COM**

*Please book by **May 27th**. After that date, or at the door, seats are \$40 per person, but please don't wait until the last minute as space is limited!*

**DR. RASA LEVSTEIN
DVM, DVSC, DACT**

Dr. Rasa Levstein decided to become a veterinarian at the age of five. Born in Lithuania, she graduated from the Lithuanian Veterinary Academy in 1994. During her student years she was breeding and showing Bloodhounds, and was the head of the Hound Group of the Lithuanian Kennel Club.

For the past fifteen years, Dr. Levstein's main focus has been small animal reproduction. She completed a residency and obtained a Doctor of Veterinary Science degree in this field at the University of Guelph. In 2009, she became a Diplomate with the American College of Theriogenologists (veterinarians specialized in animal reproduction).

Dr. Levstein lives with her husband, also a veterinarian, her daughter, a long-haired cat, a Bull Terrier, and a Cavalier King Charles Spaniel.
